Robinson Bradshaw's Summer Program

Robinson Bradshaw is a full-service law firm committed to providing clients with legal services of the highest quality. Our attorneys achieve exceptional results, often across from or alongside **Am Law 100** firms nationwide, and we handle the high-profile cases you see in the headlines. Our firm and attorneys are regularly ranked by legal publications like **Vault Law** and **Chambers** for our work for clients across the country from startups to Fortune 100 companies.

Our summer program:

- **Welcome to the team!** Experience hands-on legal work, department lunches, training sessions and after-work activities—just like a new associate. You'll also be paired with a partner and an associate mentor.
- **Your work matters.** You'll engage directly with clients and attorneys while observing trials, negotiations, closings and depositions. Get ready for real work product projects—**no mock assignments here!**
- **You'll love it here.** Build connections with our attorneys through outings like small group dinners, sporting events, whitewater rafting and a weekend retreat.
- **We're the one-firm firm.** We compete in the courtroom and at the negotiating table—not with each other. Our “one-firm firm” philosophy free of internal competition applies to you, too.

*“As a summer associate, I received **substantive projects and meaningful feedback**. Each summer associate works closely with partners and is able to meet a wide cross-section of attorneys at the firm.”*
